DATA CONTROLLER AND CONTACT DETAILS

Name: NAIL SHOP Commercial and Service General Partnership Registered Office: 4225 Debrecen, Tócsós Street 5. Email: info@diamondnails.eu Phone: +36 70 904 2301 DEFINITIONS "Personal data": Any information relating to an identified or identifiable natural person ("data subject"). An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier, or one or more factors specific to the physical, physiological, genetic, mental, economic, cultural, or social identity of that natural person.

"Data processing": Any operation or set of operations performed on personal data or sets of personal data, whether or not by automated means, such as collection, recording, organization, structuring, storage, adaptation, alteration, retrieval, consultation, use, disclosure by transmission, dissemination, or otherwise making available, alignment, or combination, restriction, erasure, or destruction.

"Data controller": The natural or legal person, public authority, agency, or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data; where the purposes and means of such processing are determined by Union or Member State law, the controller or the specific criteria for its nomination may be provided for by Union or Member State law.

"Processor": A natural or legal person, public authority, agency, or other body which processes personal data on behalf of the controller.

"Recipient": A natural or legal person, public authority, agency, or another body to whom the personal data are disclosed, whether a third party or not. However, public authorities which may receive personal data in the framework of a particular inquiry in accordance with Union or Member State law shall not be regarded as recipients; the processing of those data by those public authorities shall be in compliance with the applicable data protection rules according to the purposes of the processing.

"Consent of the data subject": Any freely given, specific, informed, and unambiguous indication of the data subject's wishes by which he or she, by a statement or by a clear affirmative action, signifies agreement to the processing of personal data relating to him or her.

"Personal data breach": A breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to, personal data transmitted, stored, or otherwise processed.

PRINCIPLES OF PERSONAL DATA PROCESSING

Personal data must be:

Processed lawfully, fairly, and in a transparent manner in relation to the data subject ("lawfulness, fairness, and transparency").

Collected for specified, explicit, and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes, or statistical purposes shall not be considered incompatible with the initial purposes ("purpose limitation").

Adequate, relevant, and limited to what is necessary in relation to the purposes for which they are processed ("data minimization").

Accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified ("accuracy").

Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes, or statistical purposes, subject to the implementation of the appropriate technical and organizational measures required by the Regulation in order to safeguard the rights and freedoms of the data subject ("storage limitation").

Processed in a manner that ensures appropriate security of the personal data, including protection against unauthorized or unlawful processing and against accidental loss, destruction, or damage, using appropriate technical or organizational measures ("integrity and confidentiality").

The data controller is responsible for ensuring compliance with the above principles and must be able to demonstrate such compliance ("accountability").
